Mo-dazz For the Arts' purpose is to present the art and culture of dance as it creates an environment for growth for individuals of all ages. We support and encourage dancers to strive toward self-awareness, personal satisfaction, and to build positive attitudes with respect to themselves and others.

Mo-dazz For the Arts will provide young dancers (ages 7-18) with performance opportunities and educational workshops and provide for travel both regionally and nationally. Through dance performances, Mo-dazz For the Arts will also assist other non-profit organizations with much needed financial support.

Mo-dazz for the Arts produces "*Dance for a Cure*" a benefit dance performance that supports our mission to assist worthy organizations. The 2010 performance will benefit Fred Hutchinson Cancer Research Center and the Pete Gross House.

Being a "*Dance for a Cure*" auction donor is a fabulous way to increase the exposure of your business to a highly receptive audience, while providing much needed funds to fight cancer. Contributions to Mo-dazz for the Arts may be tax-deductible; we are a registered non-profit organization Fed Tax ID 30-0312771.
